## THIS SATURDAY

Local jewelry artist **Elle** comes to STUFF for her first ARTober event, but she is one of our most asked about demonstration artists. Elle is not shy about showing her hard-working skills. She comes packing heat. Her small but smoking hot torch, studio block, anvil, hammers, and tool kit are all in house for this hands-on silversmith demonstration. Elle will show how she shapes, hammers, strikes and shapes again, forming sterling silver into timeless jewelry pieces. Enjoy watching a talented Kansas City native and local artisan work. She will be taking custom orders.

Porcelain artist **Mary K. Porter** brings her practiced and admired skills to STUFF. Mary is well known in Kansas City for her whimsical, elegant, playful and practical pieces in ceramic. Mary will demonstrate her process while creating original pieces on site. In addition to her functional and decorative pieces, Mary creates wearable ceramic jewelry for her collection. Watch this accomplished artist work.
