WEEK 2 13TH 2012
ARTOBER
11AM-5PM
CINDY BUEHLER
AND
KIM GASPER

Kansas City ceramic artist **Cindy Buehler** joins us for the first time to demonstrate the Italian carving art of sgraffito. Cindy's work is memorable and distinct for its graphically bright and bold designs. During her demonstration at STUFF, you will see her carve one-of-a-kind art through glaze, leaving an impression embedded in the porcelain. Her finished work is both functional and decorative. STUFF offers commissioned work by Buehler for collectors wanting full place settings and service pieces.

Local jewelry artist **Kim Gasper** returns to STUFF to demonstrate a form of jewelry making utilizing precious metal clay (PMC). This art form is rapidly evolving, and Kim has continued to hone her craft to bring interesting new designs to our collectors. In addition, Kim introduced personalized fingerprint necklaces and key tag plaques featuring your loved one's actual fingerprint. Kim will demonstrate this unique jewelry making process and work with individuals interested in creating a one-of-a-kind PMC piece. You will enjoy watching Kim work.
